

REMARKS:

The preceding claim amendments and the following remarks are submitted as a full and complete response to the Office Action issued on October 3, 2007.

Applicants respectfully request entry of the amendments to claims 5 and 6 and favorable reconsideration of the application.

Claims 1-4 were allowed. Claims 5 and 6 were rejected under 35 U.S.C. 101 for being directed to non-statutory subject matter. This rejection is believed to have been overcome by amending the claims as proposed by the Examiner. We believe that one of ordinary skill in the art would have understood that the wearing simulation program could be encoded on a computer readable medium.

In the event that this paper is not considered to be timely filed, the Applicant respectfully petitions for an appropriate extension of time. Any fee for such an extension together with additional fees that may be due with respect to this paper, may be charged to Counsel's Deposit Account No. 02-2135.

In light of the foregoing, Applicants submit that all outstanding rejections have been overcome, and the instant application is in condition for allowance. Thus, Applicants respectfully request early allowance of the instant application. The Commissioner is hereby authorized to charge any fees or credit any overpayment to Deposit Account No. 02-2135.

Respectfully submitted,
